

JUNIOR RULES & REGULATIONS

PLAYING RULES OF THE GAME

- The Touch New Zealand 8th Edition rules will apply unless otherwise stated.
- Year 3 & 4: Coaches may support the players on field for the first two weeks.
- Year 1 & 2: Coaches may support the players on field for the entire season. As Year 1&2 are learning the game, there are a couple of adjustments to the rules:
 - Defence cannot move until the dummy half has passed the ball.
 - The referees can allow a bit of flexibility with 'forward passes' and 'off the mark'.
 - Although not a hard and fast rule, coaches should show courtesy to the opposition to allow them to get organised and set up on defence.

REGISTRATION

- Teams are 6-a-side. Teams may register up to 14 players.
- Teams shall submit the names of players and other details **before the first round**. All teams must be registered online. A link for each team will be sent to School/Club Coordinators.
- Additional or replacement players must be registered with the Module Manager *before* they take the field.
- The penalty for a team being unregistered or playing unregistered players is forfeiture of all points scored in games in which the offence took place. The non-offending team will be awarded the game 5-0 or retain the points scored, whichever is the greater.
- Players may play in only one team (boys/girls or mixed). In cases of non-compliance, the penalty will be as for playing unregistered players (above).
- Players may not play for any other team than the one they are registered for. Team Managers must ensure they register enough players to cover illness/injury.
- Teams that qualify for Finals must use the same players that played in the weekly competition.
- Players must play five round robin games for their team, to be eligible to participate in finals *for their team*.

COMPOSITE TEAM GUIDELINES

- A composite team is one composed of players from two or more schools.
- Acceptable purposes for composite teams are:
 - To encourage schools who only have a few players, to combine with another school so all players have access to playing Touch.
 - For students whose school(s) do not participate in a Touch Module.
- Composite teams are NOT for the purposes of developing 'super teams' or training opportunities for representative teams.
- These guidelines have been created to ensure:
 - Local Touch maintains a level playing field for our school teams, by discouraging the formation of 'super teams' through "*loading*" a team with elite players.
 - Schools are protected from being stripped of students that could otherwise be playing for their school.
- Local Touch is first and foremost about children's participation and fun playing the sport of Touch. We are happy to allow composite teams to ensure children get this opportunity.

POINTS SYSTEM

- Points to be awarded:
 - 3 = win
 - 2 = draw
 - 1 = loss
 - 0 = default (win by default = 5-0 win, loss by default = 0-5 loss)
- In the weekly competition, draws count.

- If at the end of the qualifying round two teams have equal points, the team who beat the other will be placed ahead. If still undecided, the points scored for will be divided by the points scored against and the team with the highest points differential will be placed ahead.

DURATION OF GAME

- Games shall be **15-minute** halves with **no** half time break.

VENUE

- It is the Module Manager's responsibility to ensure the field dimensions are as *close to* the Touch NZ rules as possible and are coned each week.
- Keep off fields when closed, and note that **no** training is permitted pre-season. Any team caught training on Local Touch Module fields will be withdrawn from the module. The fields have work done on them during September and October by the Council, and if used during this time, will jeopardize the future of this Module.
- The Year 1 & 2 Grade will play on a half touch field.

UNIFORM

- All players must wear identical shirts, preferably school shirts (numbers optional).
- No player is to play in bare feet.
- Rugby/soccer/touch boots are fine as long as they have moulded sprigs, no metal.

DEFAULTS

- Defaults must be registered with the Module Administrator by 12.00 noon on the day of play.
- The Module Administrator will then be responsible to inform the opposition.
- If no notification is received from a defaulting team, they will be given a warning. If non-notification occurs a second time that teams place in the competition will be jeopardized.
- Please note: "A team will be considered to be in default should they not field a team within the first ten minute period of the game. For every two minutes that a team is late, then one touchdown will be awarded against that team to a maximum of five touchdowns."

CANCELLATIONS

- Cancellations will be broadcast by 2.00pm:
 - Via the Local Touch website (on the News feed)
 - Via the Local Touch 'person in charge of touch' email database
 - Via the Local Touch Facebook page
- If we are forced to cancel, that night's game will not be replayed. Always follow the draw dates.

REFEREEING

- The referee is the sole judge on matters of fact and is required to adjudicate on the rules of the game during play.
- Instances of players commenting on refereeing decisions, to the referee, during the game will not be tolerated.
- We seek the team managers' co-operation in ensuring that referees are shown every courtesy in their demanding job.

DISCIPLINE & PLAYER MISCONDUCT

- Violence will not be tolerated in any form from any player, coach, referee or spectator. The fore mentioned must all abide by the Touch North Harbour Code of Conduct (please find attached).
- All teams are held responsible for the behaviour of their supporters.
- An automatic two week suspension will be placed on any player who is ordered of the field by a referee.
- Please refer to Rule 18 of the Touch New Zealand 8th Edition Rule Book.

PROTESTS

- The only protests accepted shall be ones involving a violation of playing rules or the use of an ineligible or unregistered player.
- A protest that involves referee's judgments shall not be accepted.
- Protests must be submitted to the Module Manager within 30 minutes of the completion of the game.
- Protests are to be made on the official forms as supplied by the Module Manager. A fee of \$10.00 is to accompany the protest.
- Appeals are to be made on the official forms as supplied by the Module Manager. A fee of \$20.00 is to accompany the appeal.
- The above mentioned fees will be returned if the protest/appeal is valid and accepted.
